Revenue by Day Classification

03 / WEEKDAY VS WEEKEND

Weekdays generated the majority of revenue.

ACTION • Maintain weekday staffing and stock; test targeted weekend promotions.

Store Location Performance

04 / LOCATION COMPARISON

Revenue appears relatively similar across all three locations.

Hell’s Kitchen appears slightly ahead based on the dashboard chart. Exact location revenue values were not included in the supplied presentation text.

HELL’S KITCHEN	ASTORIA	LOWER MANHATTAN
Slightly ahead	Comparable revenue	Comparable revenue

Management action: compare revenue alongside operating costs and customer demand to identify effective practices.

Product & Customer Purchasing Patterns

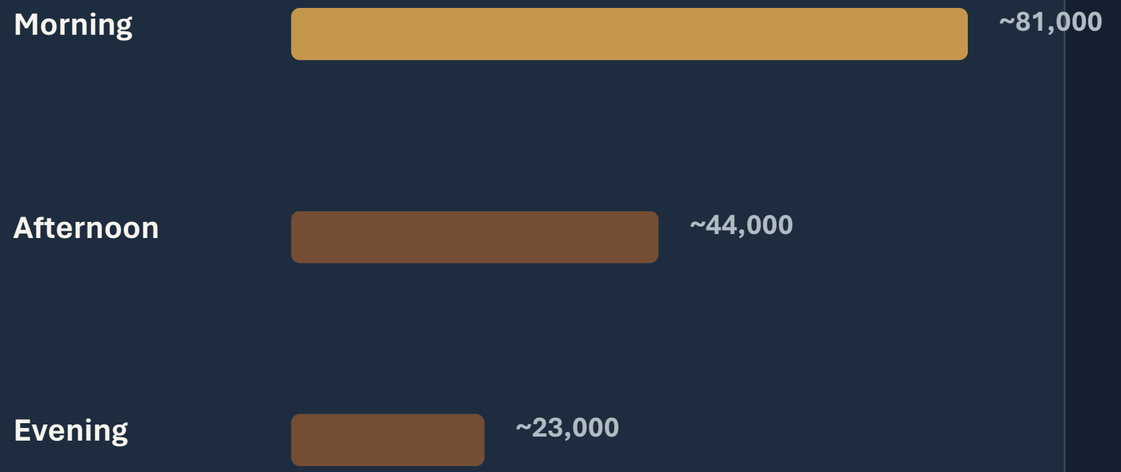

05 / PRODUCT AND TIME OF DAY

BEST-SELLING PRODUCTS

- Earl Grey Regular
- Dark Chocolate Large
- Morning Sunrise Chai Regular
- Latte
- Peppermint Regular

Peppermint Regular sold 4,564 units.

TRANSACTIONS BY TIME OF DAY

Morning is busiest. Protect stock and staffing; test off-peak offers.

Time-period counts are approximate chart estimates.

Recommendations & Conclusion

06 / FROM INSIGHT TO ACTION

01	IMPROVE STOCK MANAGEMENT	Keep popular products available, especially those with high sales volumes.
02	GROW OFF-PEAK SALES	Test afternoon and evening promotions to encourage additional visits.
03	SUSTAIN WEEKDAY PERFORMANCE	Align staffing and product availability with weekday demand.
04	COMPARE STORE PERFORMANCE	Review revenue, operating costs and customer demand at all three locations.
05	AUTOMATE SALES REPORTING	Use regular dashboard reports to monitor revenue, transactions and product performance.

Your paragraph text

CONCLUSION • $698,812.33 in revenue; weekdays led, and morning was the busiest period.
